

The word "SAVE" is rendered in large, bold, sans-serif capital letters. Each letter is filled with a vertical gradient image of a beach scene, showing blue water at the top, white foam waves in the middle, and tan sand at the bottom. The background of the entire graphic is a dark teal, vertically-grained wood texture.

SAVE

TIME AND MONEY

Keep your natural gas on this summer.

Be ready for the cold before it arrives.

Choosing to keep your natural gas connection on during summer delivers many benefits:

- ✓ No reconnection fee later
- ✓ No time away from work for service reconnection appointment
- ✓ No unexpected days or nights without heat
