

North Carolina Residential Customers

Cut energy costs and save.

Get rebates for a **new HVAC or water heating system.**

Did you know 1/2 your energy bill comes from heating and cooling?*

You can enjoy a more efficient system and cut down your energy costs.

HOW IT WORKS:

Upgrade your existing natural gas equipment to an eligible appliance.

Submit a completed rebate application with proof of purchase.

Receive your rebate check and save on energy costs with your new equipment.

REBATE AMOUNTS FOR QUALIFYING UPGRADES

Natural Gas Furnace: Up to \$325

Natural Gas Storage Water Heater: \$75

Natural Gas Tankless Water Heater: Up to \$200

Natural Gas Condensing Storage Water Heater: \$200

Smart Thermostat: \$50 (furnace required)
