

You can report natural gas theft
ANONYMOUSLY

TAMPERING WITH OR BYPASSING A NATURAL GAS METER IS A DANGEROUS AND ILLEGAL ACT.

When people tamper with meters or install connections to divert natural gas to their property, they are endangering you, your family and/or your business.

Natural gas theft is illegal and may be prosecuted as a felony. We are working closely with authorities across our service territory to identify and prosecute this very unsafe behavior.

You can help us by reporting any suspected natural gas theft. You can call us **anonymously** at **800.752.7504**.
